Customer Reviews

A good collection of Strauss' most popular pieces arranged for piano, this collection has The Blue Danube, Tales from the Vienna Woods, pieces from Fledermaus, and more. Well-printed and bound, it is easy to use and should hold up well. The technical demands of the pieces included should be within the reach of most pianists of intermediate to early advanced skill.

Beautiful book, fast delivery!

I'm very upset that this item arrived damaged. The book cover was bent up, and the spine of the book was curved. The book doesn't open nicely.
