Customer Reviews

I am happy having this Vegan Cookbook which contains a full course from morning to evening recipes, it will be better to have images and nutritional facts.

Yes we can go Vegan we can go healthy. What I like about this book is it teaches us how to make or cook very delicious vegan recipes and not only that this recipes are very easy to prepare. You can never go wrong with this book.

thanks to my friend who shared me this book cause he knows that I love Vegan foods. As I have read it you can really tell that it is well prepared and well research book. Also the beautiful pictures will make you hungry and will surely encourage you to cook the recipes. As of the recipes it was very easy to understand and easy to follow instructions.

The recipies are good. Nothing spectacular but good and quick vegan food. Ive been a vegetarian for years and its always nice to add new recipies to my diet!! I received this book in exchange for my review.
