Fly Guy is buzzing to the White House today. Come along to learn all about where the president lives!

A great educational book for your little reader. This is full of fun facts and lists all of the presidents within the book. An excellent introduction to the white house and it's history. A favorite for my 6 year old and very inexpensive online.

Guess I would just say it is not one of my favorite books for kids.

Love Fly Guy Presents books...even good to teach mom and dad some interesting fun facts.

Great book. My son loves it.

I bought this book for my first grade class while we were learning about the president. They loved it and wanted to re-read the book. It was very long for 1st graders to stay engaged but each page was a new adventure and I recommend it for all elementary ages for its great content.

Books are awesome!

We loved reading so many cool facts about the White House & many Presidents. The book has beautiful & colorful pictures.

Gave as a gift to 7 year old grandson. It was recommended by a teacher. Looked very interesting to me, although I did not read it. Giving it 5 stars because I figure a first grade teacher would not point me in the wrong direction.
