Living In Ireland

Synopsis

The Irish way of life-- its music, food, beer, and literature-- has become a familiar export around the world in recent years. But as this delightful book shows nothing can replace the experience of real Irish landscapes discovered. The stunning scenery, elegant town houses, and variety of country manors all contribute to an Irish identity which has survived centuries of foreign influence. Drawing on over twenty-five years spent living in Ireland, the photographer Walter Pfeiffer has created a unique collection of images which illuminate the many moods of the island. From Donegal in the north to Wexford in the south, through Connemara and the Isles of Arran, the beauty of Ireland's countryside is revealed through views of Palladian villas, misty rhododendron-filled gardens, castles, and salmon rivers. In the country manors and the town houses of Dublin the customs of fine Irish living show a love of elegance, good food, and music. Through a fascinating text Walter Pfeiffer describes the influence of the architecture and landscape on the Irish people and their way of life. Living in Ireland also contains an indispensable guide to the best hotels, guest houses, museums, pubs, and shops in both town and country. Ireland is full of secret places. Head off across the fields from any road, and you are bound to come upon unexpected landscapes. In this land of constantly changing scenery, every twist and turn in the path is likely to conceal a surprise. Romantic lakes, enchanting country houses and gardens, welcoming pubs-- in the cities as well as off the beaten track, Ireland repays the curious visitor with enchanting discoveries. Living in Ireland reveals a world full of timeless customs, and colorful traditions.

Book Information

Hardcover: 96 pages

Publisher: Flammarion (July 3, 2001)
