London Has the Most Harry Potter Places in the World! There are 18 Harry Potter Sites in Central London and 10 London Side-Along Apparation Sites. London Side-Along Apparations are Potter places outside of Central London that you can quickly reach by train, visit, and then return to London--usually allowing time for trekking to other Harry Potter sites on the same day. In the Specialis Revelio London section, you'll find tips for planning your London Potter Places and Side-Along visits, such as King's Cross Station, Grimmauld Place, and Privet Drive. We also developed five suggested Potter Itineraries for seeing the best of London's Potter Places, based on the number of days you have to visit, and the amount of energy you intend to expend. Specialis Revelio London also includes tips for planning your trip to the Warner Brothers Studio Tour London--The Making of Harry Potter (Site #27), aka the Harry Potter Studio Tour. Customer Reviews

Wish I had had this book when I was in London a couple of years ago. I will definitely use it when I go back. It's really hard to find tours that do everything Harry Potter or always find the sites. The well known ones are covered but sometimes you want to go off the beaten path and this book is helpful.
