Average Customer Review: 3.4 out of 5 stars 4 customer reviews

Best Sellers Rank: #2,321,660 in Books (See Top 100 in Books) #38 in Books > Travel > Europe > Spain > Basque #1534 in Books > Travel > Europe > Spain > General

Customer Reviews

Andy Symington hails from Australia and, after much time spent prowling and working in various corners of the world, he settled in Spain, where he has now lived for several years. He is enamored with the art, architecture, wildernesses, and tapas of Andalucía, which never ceases to offer up hitherto unknown corners to explore. Andy has extensive experience as a travel writer and is the author of several Footprint guidebooks.

helpful...writing is very very very small though. There really isn't much out there on this region of Spain. We found it helpful for what we were planning to do. It helped us find a place (that was not on the internet) in a small busy town that we may not have been able to find otherwise.

Did not cover French Basque region - which is where I went and what I was expecting to see in the guide.

Compact and filled with good information..no mention of the Barik card, the best value for public transport in the entire province.

Easy read with relevant and current information. I would recommend any from the series if they are as this one is.
