I have worked with Adele for over 5 years and I can honestly say that her methods work. She has a very simplistic yet detailed approach to the art of sales which after applying these methods immediately increased my numbers. She is constantly at the top of the pack in sales and has been for the past 12 years running. This is a must read for anyone looking to become the best sales

Just Purchased this book and I love it !! In this seminal work, Adele Toral lays out the inner motivations of sellers, explaining how they interact to create opportunities for both parties. Insightful and essential. I would Highly recommend this book to anybody thinking of getting into sales or for anybody already experienced. Very detailed and she makes it so easy to learn.

I have been waiting for this book for years! I have worked with Adele for 10 years and have seen her consistently meet or surpass her sales goals. Any tips she is offering should absolutely be followed by anyone who is looking for guaranteed success in sales! Adele is someone who practices what she preaches and finally having all her wisdom in one book is priceless!

I'm not in sales or have my own business, but who doesn't want to hear how you can double your income? I was pleasantly surprised. Even though the book has references to sales, I especially liked the chapter on visualization and wish boards. And the parts on time management. I recommend this book.

Finally found a book that has techniques that are pretty simple to understand and easy to apply. I love it!!
