Customer Reviews

"A fun read for anyone who is interested in hockey...enough excitement to keep even the most reluctant reader interested. Recommended." (CM Magazine 2007-02-01)"Edge of your seat, hold on to your hat action - just the thing to hook reluctant readers." (TeensReadToo.com 2007-03-01)"A page-turner; the kind of book you don't want to put down even when the lunch bell goes." (Resource Links 2007-04-01)

Terrified of confrontation, Ray is forced to stand up to danger—both on and off the ice.

Hockey is Ray Hockaday's life. He has dreams of the NHL - serious dreams. Known for playing smart, he's the center for the Medicine Hat Tigers. Unfortunately his new coach seems to know his secret. Ray is scared. The brutal, physical side of hockey terrifies him, but according to the coach it's all part of the game and he better show he can handle it. It turns out that the scary, physical stuff

is not going to be isolated to just the hockey rink for Ray. Vlad, a Russian teammate, is suddenly the center of some frightening, unwanted attention. Vlad also has a secret - one that seems to be hidden in his mouth. Ray finds himself in the middle of international intrigue including thugs, car chases, and secret documents. TIGER THREAT is edge of your seat, hold on to your hat action. Written in the high interest, lower reading level style, Sigmund Brouwer takes readers into hockey action and mystery/spy thriller adventure all at the same time. This quick read might be just the thing to hook reluctant readers and get them ready for more. Reviewed by: Sally Kruger, aka "Readingjunky"
