Customer Reviews

Each map has an extensive index of names enabling easy identification of places, mountain refuges, rivers, farms and lots more.

A must if you are travelling to Umbria--All Roads lead to the E-45 but often the smaller roads are not marked until you are on them--sometimes in the wrong direction. I also used Google Maps on my iPhone 4--which worked well too--especially at night when I navigated while my sister drove.

The best map!
