Customer Reviews

The Premier Source for Education Resources in Cosmetology, Esthetics, Barbering, Nail Technology, Makeup, Massage Therapy, Salon & Spa Management and Business Training. Serving the Beauty and Wellness Industry since 1927.

This is a much improved edition of what I used in esthetics school back in 2003. I felt a little out dated and wanted to reintroduce myself to knowledge that I had long forgotten. There is so much information out there... if you dont use it, you lose it. So this got me excited again and helped me find new words to reintroduce skin care to my clients. Purchase this and the workbook. You will be glad you did.

Great workbook, I definitely recommend it!
