Brief Encounters: 69 Hot Gay Shorts

Synopsis

For this collection, Shane Allison has gathered together, in one volume, what comprises the very best, hottest, most creative short-short gay erotica. These are not the typical one-night-stand stories but tales that are intriguing, thrilling, unique, and always surprising! When the lights go out, a couple decides to create a sex scene of their own in a movie theater in Logan Zachary's "Back Row". In Rob Rosen's "Hot for Teacher", a student will go the distance for an "A", including seducing his studly professor. Erotica veteran, M. Christian wastes no time in getting to the good parts in his raw and raunchy blow by blow tale in "Safe Sex". Shane Allison is quickly (pun unintended) becoming one of the top writers and anthologists in gay erotica, and his anthologies are always fresh, edgy, and bold. These 60 sexy gay quickies may be short in length but they are extremely long on pleasure!

Customer Reviews

Enjoyed all the different approaches to male on male erotic play. Some are well written and develop slowly while others are easily read quickly. These stories speak volumes of what we often think but don't say.

Love these kind of stories to read.

I'm still reading this book and the stories are short with good action. I would recommend this book if

you like shorter stories of this subject matter.

Mostly boring. Mostly sleezy. No art to the stories at all...

I'm a real lover of short stories so this is fantastic! This is full of sexy shorts that give you "just enough"!

The word does not describe this great read. If this doesn't make you excited, nothing will. Just a page turner

I've already ruined my copy.

i really loved this book i read it all the time more people should read it its a great book
