Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I bought this book for a bar mitzvah present for a friend's son who plays the saxophone. I was told that the songs while difficult are not out of a relatively Player who's had A round a year of experience play potential. The songs are great! However I probably need more than 13-year-old.

Love hearing my daughter play the songs on her sax from this book. She has mastered a lot of them. Easy to use and love the selection!

I felt it was a good idea to use music of what I know so this book has been helpful - except for my

neighbors
