SKINS Oxblood, Sweat And Beers

Synopsis

'Skins: Oxblood, Sweat & Beers' takes an insightful look at the British Skinhead movement.

Beginning in the late 1960s, this youth subculture evolved from the Mods and quickly became the subject of many scathing stories in the media. Often portrayed and branded as "outcasts", "yobbos", "dole dossers", "lager louts", this propaganda cast a shadow over the Skinhead cult and instilled fear from those living more conventional lifestyles. While the scene died out in the early 1970s, it was revived in the late 1970s, though was soon divided, some spiraling into far-right, politically-motivated groups that became notorious for racism, thus giving the cult an even worse reputation. This book chronicles the rise of the Skinhead in the late 1960s, including a look at the fashion and music that helped shape the scene and some of the stories that were highlighted in the press, through to its major revival in the late 70s. Included are a host of compelling, brutally frank and honest depictions by several real-life Skinheads, which give an insightful look to life within this culture. Also featured are exclusive forewords written by major artists and icons of the Skinhead scene: Nick Welsh (King Hammond), Monty Neysmith of Symarip, Neville Staple and Roddy Byers of The Specials, who all recall their own personal experiences with the Skinheads. Customer Reviews

Born 9 September 1979, West Midlands, Ian Phillips had his first book published on Diana Ross in 2010. Prior to that he wrote a number of song-and-album reviews for a number of European-based

websites. After attending King Charles I High school in his hometown of Kidderminster, he re-located to the North West Of England and has embarked on a number of acting projects as well as continuing to attend a drama school in Manchester. Ian released his hardcover and paperback coffee table size books titled Diana Ross Reflections in May 1st 2015, and his ebook is available from November 2015. He is currently writing his second book titled SKINS Oxblood, Sweat and Beers, where he takes a deeper look into the sub culture of Skinheads in the UK

Great look at the history of my brethren!

Amazing book. So easy to read and it chalked full on information and stories. The author is an amazing author. He really knows the scene and did a ton of research for this book. If you are on Facebook you can find out all about him and the book.
