Average Customer Review: 5.0 out of 5 stars 22 customer reviews

Best Sellers Rank: #77,962 in Books (See Top 100 in Books) #36 in Books > Comics & Graphic Novels > Comic Books

Customer Reviews

I got the comic version of the book. It's in perfect condition, with the band around the cover that Japanese books seem to have sometimes as well, like a partial dust jacket, which is also cute. It also came with its own plastic cover to keep it from getting bent. They even left a cute origami fishy in my packaging saying thank you :) which made me want to give a review since I tend to not get around to it.

I remember reading this in English so long ago, and enjoying the story. Years later, I figured I'd re-read it in Japanese to help learn it. I forgot how funny energetic little Yotsuba was. I find myself smiling constantly as I go through it, Very recommended.

This is awesome, it even came with a fancy dust jacket. I still can't read most of it, but the art sure is beautiful.

I got a "used" copy, but the quality is outstanding and I couldn't be happier. It's a bit pricey and a relatively long wait time, but it came much faster than expected.

My daughter loves it and she's enjoying it. She's learning Japanese and she wanted a Japanese book to read. Thank you.

I was hesitant at first but I bought it. It was a great decision. Everything was exactly what I expected.

got it in less than half the time estimated, funny simple store.

I live it, its in great condition (Ã¢â¬ÂÃ¢â¬ÂÃ¢â¬ÂÃ¢â¬ÂÃ¢â¬Â Ã¢â¬ÂÃ¢â¬ÂÃ¢â¬Â)
