funny and sweet--and our son loves the mirrors in it! Also gave as gifts and friends loved it too.

I love mo willems! This isn't my favorite book of his. It's more wordy than I have come to expect from mo, and the graphics aren't as fun as usual, however the whole book was designed for baby's eyes to be able to grow from looking at it. And the text is more for mom and dad.

This was a gift and made the new mommy cry! (Good tears!)

Mo Willems is my hero. He helps reading to my children to be an awesome party of my day. This book is WONDERFUL.

Hilarious and adorable. Also makes a great baby shower gift.

Immediately my new favorite must-have for baby showers and the kids I love most

Gave as a gift, received the feedback that it is "agreed that this is the best baby book we've ever received"

Wonderful welcome for any new little person ...
