Experiencing The Heart Of Jesus: Student Edition (Lucado, Max)

Synopsis

No person can make a lasting impact on others without first being impacted for life by the ultimate life-changer, Jesus Christ. The Experiencing the Heart of Jesus Student Edition is designed specifically for teens who desire to be touched in such a way by an unforgettable encounter with Jesus. Experiencing the Heart of Jesus Student Edition is not a trendy, hip version of the original workbook. Teens don't need another book to test their Bible knowledge. They need to experience Jesus up-close in a Max Lucado way - to know Him, to understand what He truly feels for them, how He passionately loves and pursues them. By revealing the personality of Jesus, the Experiencing the Heart of Jesus Student Edition brings to life a message of love and acceptance many teens have never heard. In this study, author Max Lucado honestly invites young adults to step closer to Jesus. Features include: 10 intimate chapters on the Person of Jesus Christ Weekly lessons that introduce young readers to a warm and personal relationship with Jesus Lots of room for journaling Encourages group study at school, church, or home

Customer Reviews

With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

As a Student Ministry Pastor, we are using this book for our High School Summer Small Groups. It

has been a great tool for students to get into God's truth daily. I previously did the adult version of this book on my own about four years ago. I really enjoyed it then. The book takes collections from all sorts of Max Lucados books and organizes them into a Daily Devotional. Each week has 5 devotionals and a memory verse to work on, ten weeks total. There are breaks between Max Lucado's writings to look up several scripture passages and lines to write down your own reflections. Sometimes there will be places to do some verse matching with which truth it teaches. All just to get students into the Word. The students have all enjoyed these devotionals, and even our leaders are doing them and appreciating them. The down side is that this is almost the same book as the adult book. Max has changed some examples to make them student friendly and that is good. But, some examples are dated. Like the one I read today, where Max goes on a jog with a walkman and has to decide what "tape" to bring. The fonts, the cover, and the lay out are more student friendly. Some of the weaknesses of the adult book are here too. Some of the verses are difficult to match with the truth Lucado has chosen. After awhile, Max's style got old. I suppose 10 weeks is a long time. But, I found myself wanting more deeper stuff and less story and fluff. Max is great at the story and the "fluff" but I enjoy some more challenging reads. Overall, I think this is an effective Devotional and I would recommend it to other pastors thinking of doing this for High School students. I wouldn't recommend it for too much younger since each day requires 20-30 minutes and the examples seem to be about HS stuff (driving, dating, etc.) and I wouldn't go any older than high school.

I am using this for a daily devotional...The insights into the grace of God and the Heart of Jesus has brought me to my knees in repentance for the things I hold on to. And seeing and experiencing the heart of Jesus through this study has released me to be free to minister to others. Although this is centered more toward college age I am learning so much from this study as an empty nester in my late 50's.

Great study to do with my awesome teenage daughters. Super easy to follow and encouraging. I highly recommend this.

I'm mentoring high school senior & college girls, each week has to be broken into two because it's a lot of homework, or would be okay in the summer only. No leader guide (the adult one is very different) for a guide. Wouldn't purchase again.

Very good condition. Shipped quickly.

Bought for \$0.40

This is an older version of Experiencing the Heart of Jesus. Would not recommend this one, but please get the newer version - it is worth it!

i have the leaders guide and it came with a dvd; it was NOT user friendly. after the first time, using it was a constant pain.i had friends try it and they had the same problem with getting past the long drawn out intro. then it would not find the PDF play software. three of us all ran into the same problem on different computers. i am dissappointed in the difficulty of using the material for planning a class. At least i was able to get to the pdf version of the guide.dickeyjoe
