PopOut is the unique, genuinely pocket-sized map which features our patented PopOut fold. It is this innovative design that allows our precise, easy to follow cartography to be right in your hand when you need it most. Moreover, the origami fold means you can do away with that awkward, oversized map, making it a compact and discreet reference tool that doesn't shout "Tourist alert"! PopOut was founded in 1993. Having spotted a need to cure what he calls 'Map Stress Syndrome' after watching numerous tourists around the City of Bath, England, battling with oversized maps, founder Derek Dacey recalled the invaluable miniature charts he used during his days as a commercial pilot. Aiming to bring this level of usability to the city map market, a

small team of designers was recruited to realise what would soon become the PopOut. 1993 saw the release of the first ever PopOut Map Bath, which was sold in the gift and souvenir trade across the city. Hot on the heels of this initial success, a research trip to the USA culminated in a redesigned layout, combining strong photo images, high quality printing and laminated covers Â¢œ standards which are still adhered to today. That research trip also saw the birth of the first US destinations covered in the PopOut range Â¢œ Boston, NYC, Philadelphia and Washington DC. Launched in the new style in the US they enjoyed instant success in the gift and souvenir trade. Today, PopOut produces over 100 titles for major destinations and is loved by travellers the world over.

Love these cases. I ordered 2, in different designs to distinguish the contents. Bright colors make them easy to locate in a purse or bag.

Map is nice heavy duty cardboard and pops out just fine. However, the print is small and it is difficult to read. Probably won't use it. Would be a lot better if it was a little bigger.

I love these wonderful little maps. You never look like a tourist when you whip them out

You need a magnifying glass to read it.

The map will come in real handy. It can fit in a pocket which makes it convenient when walking around.

Not enough detail

love it
