On The Road: 50th Anniversary Edition

Synopsis

In its time Jack Kerouac's masterpiece was the bible of the Beat Generation, the essential prose accompaniment to Allen Ginsberg's *Howl*. While it stunned the public and literary establishment when it was published in 1957, it is now recognized as an American classic. With *On the Road*, Kerouac discovered his voice and his true subject-the search for a place as an outsider in America. A penniless writer named Sal Paradise becomes inspired to hitchhike across America, taking the listener on a freewheeling journey through the 1950s youth counterculture. Joining up with other fellow vagabonds who are in love with life and open to adventure, they explore jazz, sex, drugs, and mysticism on the fringes of society. Credited as the book that launched Jack Kerouac's career, *On the Road* epitomized to the world the generation that Kerouac himself named as "beat." It created a sensation by chronicling a spontaneous and wandering way of life in a style that seemed founded both on jazz and on drug-induced visions. --This text refers to the Audio CD edition.

ASIN: B000XPWRAI

Best Sellers Rank: #74 in Books > Audible Audiobooks > Fiction & Literature > Classics #325 in Books > Literature & Fiction > Classics #902 in Books > Literature & Fiction > Literary

Customer Reviews

I read this story before but it was many years ago and I wanted to read it again. This book is the perfect side and style to enjoy reading Jack Kerouac's book, *On The Road*, again.

Love this novel by a world changing literary great jack and the beats went places today's "poets&writers" only can dream,great author great book.

It is a classic. A bit hard to follow at times, and uses words of the time that are not really used now,

but a good read.

I just don't like Jack's scattered style of writing. Just not my thing. I think he wrote this on a drug-addled trip.

VERY slow. A classic, but one of the few books I could not push myself to finish.

An American classic. Not to be missed.

A wild ride. Kerouac makes a unique 'beat' poetry out of madness and mayhem. The Kindle version I received was full of typos. Kerouac writes in a loose and rambling style; he often uses archaic or nonstandard words, and even 'invents' words. The typos therefore made reading at times rather frustrating, as I wasn't always sure if it was an error or Kerouac. \$12.99 for a defective product from .

There's nothing anyone can say about Kerouac's work that doesn't diminish or, just as wrong, gild the lily of his soul as revealed in his own words. No comment necessary.
