Shawty Got Me Tryna Wife Her 2

Synopsis

Twins Camilla and Lauren were able to break away free from the foster parents from hell and believed that the drama and chaos was behind them. They soon find out how untrue that is. Meshach continued to hold in his feelings for the beautiful Camilla. He tried his best to keep her in the friend zone but how long can that last when it's obvious that the two are attracted to each other? Is Diesel aware? When an unexpected event forces Soraya out of her home, Meshach invites her and her son, Mikey, to stay with him, in his home until she gets on her feet. With Soraya's jealous ways, will she be able to keep herself composed living with the man that she truly loved? Octavious and Lauren seemed to be thriving and finally made it official becoming a couple but startling news will put their relationship to the test. After losing his brother, Chad, in such a tragic way, Diesel resorts to drastic measures to fill the pain and the void of losing his brother and becoming shunned away from the family due to his father. Will his methods to ease the pain take over him and threaten his relationship with Camilla? Will he ultimately push her right into the arms of a man that's waiting for him to mess up? In this next installment, answers to secrets are revealed, new secrets are exposed and love and loyalty are tested!

Great read!!!!!!!!!!!! can't wait for the next one

Seriously I'm literally about to read everything with this authors name on it. Her writing style is so damn bomb and I couldn't get enough of this story. I was so mad that it ended and I just can't contain my excitement for the third installment. This was so good...my goodness. I love me some Camille. Diesel is young and in pain. He needs therapy and direction. His heart and soul needs healing and I hope he finds his way. Lauren is the truth and she and Oct are going to either love each other or end up killing each other. Either way it's entertaining to read! I can go on and on about the characters, but I'm not spoiling this for anyone.

Rikeny Hunter does it again. This book was a truly gripping, wave of twists and turns, that had me feeling like I was riding a roller coaster. This is an amazing book, that sent me back to my old days. I can see your personal growth that you are obtaining in your writing. Each book is getting better and better with each installment. This is one of those books that grip you so hard, you just want to have a calgon, take me away moment. Bring on the wine. I LOVED THIS BOOK, IT WAS FIAH.

Diesel has went on the deep end. Soraya is just a jump off who needs help. Meshach need to stop playing and get his girl. Camille needz to grow up and get her man. Oct and Lauren i love their relationship i hope it last. The cousin needs to understand that shes just that a babymama before Lauren really get off in her but. Overall good read

This just gets better and better. I. Loving this storyline. First off Camilla needs to leave Diesel alone and get with a real one. I'm loving the storyline with Diesel and Soraya too. I think Soraya needs to go, and Mesach needs to beat Diesel ass. So much excitement, it ended too fast! Can't wait for the finale!

Of course I enjoyed this book and literally took me one day. I love how the story came info play. I love Camilla and Mes. The good thing is I know the 3rd is not too far away. Rikeny Hunter never disappoints. You would love this book and want to recommend to your friends

Part 2 was everything. Soraya is a trip I swear the girl is stupid. I don't like her can't wait for her to be exposed in the finale. Diesel was stupid for letting her play him like that, him and Camilla should have been broke up. Can't wait for part 3!!

This book was better than part 1, and part 1 was good. There were so many secrets and twists and turns. This was definitely a page turner. I can't wait for part 3. I'm definitely team Meshach and Camilla. Soraya needs to get what she deserves.
