Rural Studio At Twenty: Designing And Building In Hale County, Alabama

Synopsis

For two decades the students of Auburn University's Rural Studio have designed and built remarkable houses and community buildings for impoverished residents of Alabama's Hale County, one of the poorest in the nation. Our critically acclaimed bestseller *Rural Studio* (2002) showed how salvaged lumber, bricks, discarded tires, hay-and-waste cardboard bales, concrete rubble, colored bottles, carpet tiles, and old license plates were transformed into inexpensive buildings that were also models of sustainable architecture. *Rural Studio at Twenty* chronicles the evolution of the legendary program, founded by (MacArthur Genius Grant and AIA Gold Medal winner) Samuel Mockbee, and showcases an impressive portfolio of projects. Part monograph, part handbook, and part manifesto, *Rural Studio at Twenty* is a must-read for any architect, community advocate, professor, or student as a model for engaging place through design.

Customer Reviews

Andrew Freear is the director of Rural Studio in Newbern, AL

Like the first book on the Rural Studio this edition does not disappoint. The Rural Studio builds homes for folks who cannot afford a traditional home. They utilize materials that are on hand and they get pretty creative. It's a good and inspiring read.

I know many of the educators and supporters mentioned in this book. This history fills in all the gaps. The photography is excellent. I think the book accurately describes the history and evolution

of the Rural Studio and all the exceptional people who make it work.

Great book and really enjoy reading about the project.

I remember first hearing about Samuel Mockbee unfortunately right after he passed away in my introduction to design course while an undergrad. The brief introduction about Sambo and the work he created with Rural Studio left a lasting impression on me and I am thrilled, the program is still going strong. The book is fantastic and is highly recommended!

My son is an architect who spent a quarter at the Rural Studio. It was a very special time for him. This book is a reminder of a unique educational experience.

great. fast service, good price

Great addition to my library. The college program described is and will be essential in providing interesting and affordable housing for the future.
