Ernest H. Shepard was born in 1879 in England. His pictures of the Pooh characters are based on real toys owned by Christopher Robin Milne. Shepard died in 1976. A. A. Milne was born in 1882 in London. He was a playwright and journalist as well as a poet and storyteller. His classic children's books were inspired by his son, Christopher Robin. Milne died in 1956.

This little book is an inspiration for any Pooh fan. Not only does it have helpful quotes and sayings for when you may be feeling down or just need a boost of brightness, but it includes various quotes that go along with each life lesson. I got this for my 22 year sister for Valentine's day-- It's wonderful for adults and a keepsake if you give it to children as well. The pictures are beautiful and it's all good

quality. I highly recommend :D

I bought this book as a gift for my fiancée as she's a huge fan of Winnie the Pooh. Contents contain Pooh's quote and a short story behind the meaning. Delivery date wasn't accurate for my case as I'm located at the other side of the world. Nonetheless I received the book within 3 weeks. There's a little tear at the spine of the front cover (usually hard cover books have this "wrapping") of the book. Overall cosmetic condition is still 8/10. Anyway, my fiancée loves this book! A very good book for Pooh fan, be young or old!

Pooh's wisdom takes some thinking so that is good taking time to understand the message.

It was purchased as a gift to my wife. She LOVES it !

Great! Luv it!

This wasn't exactly what I was looking for, but it is still sweet and still Pooh. How can you go wrong with that?

Winnie the Pooh is an iconic figure from Children's literature and, more recently, several management treatises. "Positively Pooh", in a sense, combines the best of both. Select adventures of Winnie and friends are plucked from context and labeled with "moral of the story" type headings. Viewing the experiences of Milne's beloved gang through a wholesome, philosophical lens will surely appeal to most fans of the "Bear with Very Little Brain".

I used this book as a guest book at a baby shower. The baby mama loved it and couldn't wait to put it in the nursery.
