5 Seconds Of Summer: The Ultimate Fan Book: All You Need To Know About The World's Hottest New Boy Band!

Synopsis

This tell-all dives into the boys' pre-fame history, early hometown success, their discovery on YouTube and how they are using social media to stay connected to their fans (like their 3 million+ Twitter followers!). Fans will also find details on the band's world tours and their relationship with friends and mentors One Direction. With bios on each of the boys, fan stories, and dozens of full-color and black & white photos, 5 Seconds of Summer: The Ultimate Fan Book explores the very bright future of four fast-rising mega stars. And the best part—a giant full-color poster of the guys attached to the back cover!

This is a wonderful book. My niece loved it ! full of great pics and info about 5sos.

My daughter loves this book! Lots of "stuff" on each member of the band! She's a total 5SOS fan!

I don't Love it but my 11 year old daughter does. I hear too much about 5-Sauce.....

I am a person that loves 5SOS (and One Direction) a lot. So when I ordered this book, I was very excited to receive it. However, I am a person who is picky about spelling mistakes and such. As i read the book, I found a couple of errors that annoyed me just a bit. It made me wonder how the

publishers let it go just like that. Otherwise, it was a great book full of facts even though it was only 48 pages. The poster was nice, although it wasn't 'giant' like the description says. Overall, this was an awesome book, and I recommend it to anyone who loves 5SOS. That's coming from a 12 year old, but I figured that if I wrote the review myself for others to see, it would maybe help other people shopping for someone who likes the band like I do. Just for a warning: if you are a huge fan, you might already know some of the information in this book, but it is still worth the purchase. Now I just have to wait for the official book to come out!

Perfect for teenage girls

great product for the price and fast delivery!!

Gave this as a gift to the biggest Fan Girl around and needless to say, 5 Stars, a pure hit!

Our granddaughter (who it was for loved it). Good value and great quality.
