Customer Reviews

John Wick brings 7th Sea back in a 300-page, full-color, hardbound book. Revised rules, revised Nations, updated for the 21st Century.

Beautiful art, streamlined mechanics and a detailed campaign setting. The book came in pristine condition with the plastic wrap and everything. A word of caution though; 7th Sea 2nd Edition is very much more concerned with storytelling than with being a game. Still very fun.

This game is absolutely amazing! I've played dozens of RPG's, if you want a swashbuckling adventure there is no system that comes close to capturing it via mechanics. Additional books are planned and should be released every 6 weeks for the next year go to the John Wick website to see the release dates. There you can also buy the book for \$60.
