"A fresh and entertaining take on the places and faces that make Chicago unique."--Chicago Tribune

Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path® features the things you'd want to see - if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, let Chicago Off the Beaten Path show you the Windy City you never knew existed. Discover the nation's only museum devoted exclusively to holography; find the best places to hear live jazz or blues; or survey the urban skyline from Promontory Point. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.

I own an earlier edition of this book and like how it breaks down the city by neighborhood. It gives a

map of each area at the beginning of each chapter as well. Although this city changes often, the authors provide phone numbers for restaurants and other places of interest.
