## Synopsis

Provide the best possible emergency cardiovascular care — using the newest ECC guidelines! ACLS Study Guide, 5th Edition offers a complete, full-color overview of advanced cardiovascular life support. An easy-to-read approach covers everything from airway management to cardiac arrest rhythms and their management, electrical therapy, acute coronary syndromes, and acute stroke. In addition to the latest ACLS treatment algorithms, this edition includes case studies and hundreds of full-color photos and illustrations. • Case studies present common, realistic clinical situations, helping you learn and apply skills in cardiac rhythm interpretation, medication administration, and other essential interventions. • ACLS Pearls boxes offer brief explanations of complex topics and useful tips for clinical practice. • End-of-chapter quizzes include answers and rationales, helping you learn and remember the most important information. • Easy-to-understand approach simplifies your study of advanced cardiac life support, thanks to Barbara Aehlert's unique, conversational writing style. NEW! UPDATED content centers on evidence-based practice recommendations, including the 2015 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care and the 2015 International Consensus on Cardiopulmonary Resuscitation and Emergency Cardiovascular Care Science With Treatment Recommendations. • NEW! Improved format integrates all case studies into the appropriate chapters, so that you can apply concepts immediately to real-world situations.

## Customer Reviews

Excellent source of information for anyone seeking ACLS certification. This book is well organized and written for individuals preparing to attend a ACLS course.

I needed an updated version of this study guide. I feel this is the best study guide and review available. It reviews everything. It is great for the first time ACLS taker and the even seasoned provider.

Great book

Advanced material more appropriate for ICU or advanced practice.
