Agent Of Chaos (Dark Fae FBI Book 2)

Synopsis

London is burning, and the fae are holding the matches. I am Cassandra Liddell: FBI Special Agent and bad-ass Pixie. After barely surviving my last assignment, I'm on the hunt for answers about my past, when bombs start exploding all over London. Fae terrorists have attacked and thrown the city into chaos. To make matters worse, my best friend Scarlett has been abducted, and her captor is playing a twisted game of "Simon Says," sending me riddles paired with impossible tasks. Roan, a seductive fae warrior, is willing to help me – but of course he has a price. One I'm not sure I'm willing to pay. Hounded by supernatural pursuers and hunted by the CIA, I'm racing against time to save Scarlett, and to stop London from burning to the ground. Rage is simmering under the surface, and when it boils, I'll unleash a fire of my own. A new adult urban fantasy.

Never felt more of a connection to the antagonist of a story...I cried! That alone knocked my socks off, and what a twist. I also liked how the co-characters were disillusioned with the main character, very realistic. And the raven was a nice touch...hilarious. I read the other series by this author. It

was decent but it didn't feel as round and mature and complete as this. I'm glad I decided to try this series!

A great follow up to the first story. The plot thickens. Good character expansion. Very active, very convincing. I loved it and I wait excitedly for the next book

The book was a good continue to the first. Love how Roan interacts with Cass. There could be something there. Looking forward to the next book.

I really enjoyed both this book and the first one. It has some great insight into the Fey. While kind of campy I am still looking forward to the next one. However I don't believe that I have ever read that a changeling must be swapped by it's original parents or even the motive for doing so. Perhaps it was a revenge swap? Anyway it was a good read and stimulated my imagination.

I love this series! The plot is completely original, the characters well defined and the heroine is strong, independent and not afraid to kick butt! This is one series I will continue to follow.

This book was different for me, I guess I was wondering what age group does follow. I like a little more sexual excitement or attractions, it was very short lived. I could tell this was written by a man not too feely/ touching?

Two authors make for strong, complex world-building, great writing, and enough twists to keep you guessing. I can't wait for the next one!

Great read and wonderful characters with a wonderful story line, keep up the great writing
