## Bratislava, 2nd

## Synopsis

One of the great Baroque cities of central Europe, Bratislava sits at the strategic meeting point of three countries – Slovakia, Austria and Hungary. This city guide to Slovakia’s hitherto almost unknown capital gives full details on where to stay and eat plus a whole range of outdoor activities including cycling, rafting and hiking. Explore the car-free center; soak up the buzz of sidewalk cafÃ©s and tree-lined squares or visit stunningly restored Baroque and Rococo buildings. Further afield, sample some of Slovakia’s internationally recognised wine in the cellars along the Small Carpathian Wine Route. A relative newcomer to the tourist scene, Bratislava is still very much a peaceful and pleasant place to explore.

## Customer Reviews

“The pocket book size guide makes you want to pack your bags and go to discover what this long neglected town has to offer; she has compiled a concise and fair overview of the town’s history, sights, and practicalities such as accommodation or best beers, giving insights about certain cafes, restaurants, buildings and people.” – The Budapest Sun, Feb 06  
“I’ve never been to Bratislava and, as far as I’m aware, neither have any of my travelling friends. And that’s why I love this book—it’s made me want to go there; this thorough, enticing and wonderfully relevant little pocket-sized guide suggests a historic city with the appeal of Budapest on a smaller, cheaper scale.” – Real Travel, Apr 06

Lucy Mallows first visited Bratislava in 1982 while studying. An expert on the central European

region, she promotes tourism in the new European states.

Bratislava can almost be done without a guidebook, but this one has what little information you might need collected in one place.
