Kelli Dunham, RN, BSN is a nurse, comedian, and author of several books, including The Boy's Body Book, The Girl's Body Book, How to Text Boys, and How to Text Girls.

My 10 year old reads and re-reads it, then comes to me to discuss what she finds. The book has

good information, and it covers topics I had not thought to discuss with her. A great addition to our library, even though we are close and I'm a teacher. It always helps to have an extra resource when you are parenting through adolescence!

This is a amazing book for preteens. 10 year old daughter read it all with no hassles. She started talking to me about stuff in the book that is going on with her body.

My daughter loves this book. It has brought up a lot of questions, but helps answer them too.
