A Really Big Lunch

Synopsis

Jim Harrison's legendary gourmandise is on full display in *A Really Big Lunch*. From the titular New Yorker piece about a French lunch that went to 37 courses to pieces from *Brick*, *Playboy*, Kermit Lynch's newsletter, and others; from the relationship between hunter and prey to the obscure language of wine reviews, *A Really Big Lunch* is shot through with Harrison's pointed aperçus and keen delight in the pleasures of the senses. And between the lines, the pieces give glimpses of Harrison's life over the last three decades. *A Really Big Lunch* is a literary delight that will satisfy every appetite.

Customer Reviews

Harrison is missed...this collection of essays from multiple periods of his life remind us how to live

Great collection of Harrison's food focused essays. Always entertaining. Miss him

This book kind of grows on you, especially if you've ever attempted writing or are into food and wine. Harrison's sense of humor is definitely one of a kind.

Pure unfiltered Harrison. A joy and an exclamation point to his life.

great book!

The final work of a man who loved great food and great wine, loved nature even more, and loved language above all.

Really loved this book. You can hear Jim's voice so clearly. And the food and wine! You can taste it.

I gave this to a friend for her birthday and she hasn't stopped laughing since.
