Hearts, Fingers, And Other Things To Cross (A Broken Hearts & Revenge Novel)

Synopsis

WEATHER ALERT: SEVERE STORMS AHEAD. Gemma and Hallie's world has come to a screeching halt. Their parents are engaged, which makes them step-sisters. Nothing in the world could possibly be worse for Gemma and Hallie--they won't let it happen. Even if it means putting their own feud aside to separate their parents. Events quickly escalate as a hurricane rips through the Hamptons leaving everyone (including Gemma's two exes, her current crush, best friend, and her nemesis) bottled up in one house. One big, miserable group of exes and enemies together allow secrets to unfold and plans to be plotted. The calm before this storm definitely doesn't exist. Katie Finn pulls out all the stops for this fast-paced, romance-revenge novel, *Hearts, Fingers, and Other Things to Cross*, the dramatic conclusion to the *Broken Hearts and Revenge* series that began with *Broken Hearts, Fences, and Other Things to Mend* and *Revenge, Ice Cream, and Other Things Best Served Cold*. "This book is the perfect way to wrap up my favorite series!" â•Morgan Matson

Customer Reviews

Praise for the Broken Hearts and Revenge series: "This book is the perfect way to wrap up my favorite series!" â•Morgan Matson on *Hearts, Fingers, and Other Things to Cross*â•Finn offers up plenty of teen angst, awkward situations, pool and beach parties, a bad breakup, a burgeoning romance, revenge, and a hole that keeps getting deeper in Gemma's quest to prove she's a nice person.â• Booklistâ• There is much for teen readers to like here: snappy and snippy dialogue,

embarrassing situations, blossoming romance, pool parties and the constant tension of maintaining a secret. • Kirkus Reviews "Teens will relate to the relationship struggles, and will find the next big revenge idea even more entertaining than the last. Gemma's perspective noticeably shifts from the beginning of the story to the end, allowing readers to gain valuable insights pertaining to the importance of communication and trust in developing strong relationships with friends as well as family. • VOYA

Katie Finn is the author of the Top 8 trilogy when she's not going by a different name altogether. As the acclaimed author Morgan Matson, she has written novels *Since You've Been Gone* and *The Unexpected Everything*. Both identities currently live in Los Angeles.

Hearts, Fingers, and Other Things to Cross by Katie Finn is a roller coaster of emotions! The relationship ins and outs of the characters become pretty tangled along with the hurricane scare. This is the shortest and final book of the *Broken Hearts and Revenge* series and also the most intense!

amazing book

My Thoughts: I remember really liking the first one in this series. And then the second one I liked to an extent, so I was really happy to keep reading and see if I liked the third one, this one. Honestly, I did like it but I didn't love it. We are back with Gemma and Hallie and their worlds are about to crash. They are still fighting from before but now they find out that their parents are planning to be married. This does the unthinkable, makes them team up to break up their parents. But is this really the right thing to do? I think both girls had more feelings in this book but they pushed them to the side, to deal with their parents. Which probably wasn't the best idea. I also liked all the side characters once again. Honestly, that may have been the better part of the book for me. I didn't really like that they wanted to break up their parents. I liked this one, it was a very fast read once I got started. It just flowed along and even though they had revenge on their mind it wasn't quite like the other books and towards each other. Overall: Out of all of the books in this series, I think the first one is the best. Maybe because it's the opening and is more juicy. I liked this one, just wasn't as sucked in. If you've already started the series do read this one! Cover: Love it even though yellow isn't my favorite color. These covers all have such beachy cute themes! What I'd Give It: 3/5 Cupcakes _____ Taken From

This book was AMAZING!! If you love humor and romance, and possibly even love triangles this is the book for you!! Katie Finn does an amazing job of making the character believable and relatable! This might just be the best book of the series!
