Customer Reviews

"Unusual places that are worth making a detour for."--The Boston Globe"Whenever someone writes about New Hampshire's out-of-way places of interest, I scour through to see if any of my own favorites were left out. Darn it all ... none of them were! In fact [the authors' added quite a few I didn't know about." --Judson D. Hale Sr., Editor, Yankee magazine"A New Hampshire guidebook that will both entertain and inform New Hampshire natives and visitors alike. This book deserves a permanent home in the glove compartment of your car."--The Honorable Walter Peterson, former governor of New Hampshire"The guide will help visitors and residents alike discover the unique, must-see attractions around the state."--Union Leader (Manchester, N.H.) --This text refers to an out of print or unavailable edition of this title.

Whatever you do when you travel, get off the highway. Who needs more bland rest stops and fast food? Get into the heart of things with Globe Pequot's Off the Beaten Path series. Devoted to travelers with a taste for the unique, this easy-to-use guide helps you discover the hidden places in New Hampshire that most tourists miss - unsung, unspoiled, and out-of-the-way finds that liven up a week's vacation, a day trip, or an afternoon. Native or newcomer, use this guide to find: historical and cultural information, detailed maps and driving directions, admission fees and hours of operation, restaurants and places to stay. Great book to look for places to go-

This is the best series of travel books about New England that I have found. It is easy to read with information I haven't found in other travel books. The New Hampshire book didn't disappoint. It is up to the standard I expect from this series.

This book gives very concise and complete directions to the locations of the places listed. Not only was I able to find every location that I wanted to see and with little or no problem, but also there were good places to eat and other things to do along the way. The accuracy in the distances from the starting points to the destinations is so good that with care there is almost no chance of getting lost. Obviously the authors took great care to be accurate in their descriptions and directions and have written a book that is a real joy to use. I look forward to using other guides by the same authors as I know they will be correct in their information.

Spent a week in the White Mtns and used the book extensively. Most interesting was "discovering" the old Mineral Springs resort in Conway. Book was well written, concise maps and directions were very clear. This book, combined with a good road map and a general guidebook make touring NH

very enjoyable.
