Customer Reviews

Has some good basic recipes

Exactly what I needed.

Very nice cookbook.

Good recipes for sleeve patients!

This is an excellent book for someone who has just had gastric sleeve. This book contains a number of interesting recipes, for fish, poultry, beef, seafood and vegetarian recipes. There is also a lot of sound advice for the types of foods that are suitable post. There are also tips on food preparations and budgeting.

This is a very helpful book which will help you to be safe from many diseases. In this book you will find the recipes suitable for each recovery stage are labelled accordingly. You will have plenty of options to put in your recovery diet plan, serving information and full nutritional information are provided for all recipes and much more. I hope you find this book helpful.

This is a really amazing cookbook I love this book. This book really awesome book. This book already includes 170 plus good recipe guidelines.

This book is really amazing and useful book i juz love this book. It's really super highly recommended. Boost to buy it
