Pizza!: An Interactive Recipe Book (Cook In A Book)

Synopsis

Cook pizza from scratch in this fully interactive recipe book that allows readers mix the ingredients, knead the dough, spread the sauce, and more! STEP ONE: Stir the yeast and sugar into the warm water, and set aside until bubbly. STEP TWO: Combine the flour and salt in a large mixing bowl. STEP THREE: Add the oil and yeast mixture into the large bowl and mix until the ingredients turn into a large clump of dough! Simple yet accurate recipe text takes readers through the steps of cooking pizza, from dough to toppings, while the interactive novelty features invite them to participate in the process! One hundred percent adult-free, knife-free, oven-free, and mess-free, cooking pizza has never been so independent! Perfect for kids who love to help in the kitchen, or any child who prefers to 'do it myself'. This is the second title in a series of interactive recipe books.

In 2014, she was nominated for Forbes magazine's annual 30 Under 30 list. In 2010, she received the Art Directors Club Young Guns award. Her client list includes Google, New York Times, and Vanity Fair, among many others.

My niece loved it, and lit up when told there were other books in the series. Fun fun fun

Great interactive book for toddlers. My step son loves to "cook in his book".

My almost two year old adores these books!

Good quality, very interactive and engaging for young kids, specially kids who show a lot of interest in cooking toys and pretend cooking play.
