## Customer Reviews

Have you ever wondered . . . What is Heaven really going to be like? What will it mean to see God? What will we do on the New Earth? How can we know for sure that we'll go to Heaven? Randy Alcorn's "*Heaven*" opens your eyes to the wonder and beauty of eternity, introducing you to Heaven the way Scripture describes it—as a bright, vibrant, and physical New Earth, a place free from sin, suffering, and death and brimming with all the wondrous sights and sounds that surround us every day. Now in this companion piece to the best-selling book, Randy Alcorn invites you to take an even closer look at Heaven and the New Earth as God intends it to be. Perfect for individual or group study, the "*Heaven Study Guide*" features More than two hundred thought-provoking questions adapted from "*Heaven*" Helpful excerpts from "*Heaven*" and Scripture references to guide your study An easy-to-use workbook format that allows you to write directly in the book Additional space for Scripture and discussion notes If you've always thought of Heaven as a realm of

disembodied spirits, clouds, and eternal harp strumming, you're in for a surprise. Read the book. Enjoy the study guide. And the next time you hear someone say, "We can't begin to imagine what Heaven will be like," you can tell them, ""I can.""

Randy Alcorn is the founder and director of Eternal Perspective Ministries (EPM). Prior to 1990, when he started EPM, he served as a pastor for fourteen years. He has spoken around the world and has taught on the adjunct faculties of Multnomah Bible College and Western Seminary in Portland, Oregon.

Glad to have it for note-taking, but it could be better set up. I'm doing a solo study for now & thought that this would help me dig a lot deeper. There should be more questions leading from the reading instead of just basically being a copy/paste situation. The questions are too much straight from the book that anyone could ask themselves. It will help with keeping group discussions on track but still should encourage more self-thought. I'm not really sure if I am a good judge of a study guide because this is the first one I've used in a long time. I do think that I could have just gotten the book and written out my own study guide. I "peeked inside" the book online but not the study guide. I really suggest that other buyers do this first before getting it. When I get ready to do the group study, I am going to suggest different questions. Other study group leaders can just come up with their own questions and let the group take their own notes. Money is tight & that would be a cheaper way to do this.

I lost my Mum last year and 2 months later my best friend. Although I am a Christian I found the loss so profound however the Holy Spirit prompted me to find out more about Heaven...where Mum and Ruth are now...I bought this book on my Nook and it is a great comfort to me. It is highly informative but based soundly on scripture. The study guide makes it more interesting to do on your own or with a group. I will never be without this book on my Nook and am glad I got the study guide as well.

The study guide is very good and follows the book in a very good manner.

This is an amazing companion to the book 'Heaven'. My bible study is reading it and by using this study guide I'm getting so much more out of it. You are asked deep questions that really make you think hard about the concept of Heaven and what is REALLY is. I would definitely recommend this for bible study leaders or maybe even if you are a mom trying to teach your kids about Heaven. This

guide isn't a waste of money at all.

I give this book a high ten score for answering your questions about Heaven and for revealing errors in thinking we have that are more tradition than fact about Heaven. Randy Alcorn uses scripture bases for all his "points" and makes it clear and easy to understand, adjust your concepts on Heaven and to tell others what you have learned. It is also delightful reading and I love some of the anticipation it implants for those of us who know God as our Savior. Easy reading! I challenge you to get this book (and the study guide that goes with it.) Unfortunately you can no longer get the paperback unless used. I'd love about 4 paperbacks to purchase for friends!!

Great study, used for our Church Bible Study. Very thoughtful, Scripture-based and moves along well with each of the chapters building on the earlier ones.

My study needs

GREAT!
