Demigods & Magicians: Percy And Annabeth Meet The Kanes

Synopsis

Magic, monsters, and mayhem abound when Percy Jackson and Annabeth Chase meet Carter and Sadie Kane for the first time. Weird creatures are appearing in unexpected places, and the demigods and magicians have to team up to take them down. As they battle with Celestial Bronze and glowing hieroglyphs, the four heroes find that they have a lot in common--and more power than they ever thought possible. But will their combined forces be enough to foil an ancient enemy who is mixing Greek and Egyptian incantations for an evil purpose? Rick Riordan wields his usual storytelling magic in this adrenaline-fueled adventure.

Rick Riordan (www.rickriordan.com) is the author of three # 1 New York Times best-selling series with millions of copies sold throughout the world: Percy Jackson and the Olympians, the Kane Chronicles, and the Heroes of Olympus. His Greek myth collection, Percy Jackson's Greek Gods, was a #1 New York Times bestseller as well. His previous novels for adults include the hugely popular Tres Navarre series, winner of the top three awards in the mystery genre. He lives in Boston, Massachusetts with his wife and two sons.

These short stories were included in prior books (the printed versions, not just the e-version like another reviewer said). If I had realized that, I wouldn't have spent money on this. However, my daughter, who is a huge fan and for whom I bought this, was still pretty excited to get this book.

I was really sad with the way these short stories went. There is potential for a great series here, and it felt very half hearted. They are fun quick reads like most of this author's work. There were allusions to some of this in his newest series with the Norse Gods and I was hoping these books would bring it all together.

As a person who loves Percy Jackson and the Kane Chronicles, reading about two of my favorite characters coming together made me extremely happy. I had been meaning to buy this book for a while, but never got around to it until recently and it was a very good decision. I had already read the Son of Sobek before but never Annabeth and Sadie's encounter nor the end result of the clash of Egyptian and Greek lifestyles so I was pleasantly surprised with the book.

The Kane siblings are my least favorite of the Rick Riordan characters, but paired with my favorite characters, Percy and Annabeth, this book was a treat! Short and sweet, it doesn't disappoint!

I had been buying this author's books for my classroom but since I retired I am now buying them for the grandsons knowing they are popular with kids.

According to 11 year old son: it was a good read, but if you haven't read both series, it won't make sense. He loves Rick Riordan's books and loved this one as well.

Wonderful book! My son reads all of his work and this book didn't disappoint. We actually bought it after he borrowed it from the school library.

Great addition to the Percy Jackson and Kane Chronicles. My 11 year old says it's "a whole new level of excitement". He's a huge lover of Rick Riordan works.
