Halls Of Power (Ancient Dreams Book 3)

Synopsis

Having rocked the world via high magic that was believed lost, the dungeon Sistina has shown her power at last, as she has done everything in her power to protect those that she loves. Crowned queen of the new city of Beacon, Phynis Constella is searching for allies as full-scale war erupts between her homeland of Sifaren and the fell nation of Kelvanis. Each side must use everything in their power to defeat the other, but with the threat of the goddess Tyria looming, there can be only one victor. Long-waiting plans at last are rising to a head, and even Sistina is uncertain of whether or not she can survive them. But for her beloved Queen, she is willing to risk anything. This is the final chapter of the Ancient Dreams Trilogy.

Customer Reviews

Much like the other two novels, this one delivers on the promise of epic fantasy. The only flaw I could pick up, but it's not annoying enough to cause the loss of a star, is again the brutal over use of the word 'giggle'. Enough with the giggling already sheesh! :) In conclusion, I loved the novel and will certainly look out for more by this author.

The wait for this book felt like forever and when I found out it was available I read it in one day the story the characters everything was so cool It saddens me that Ben isn't planning to continue it I wished he reconsidered so much more stuff could happen it just feels like a waste not to continue enjoying this saga

I found a few mistakes, but nothing that really threw off the story. This was a good ending that tied up loose ends nicely. I didn't have that rushed, I don't care feel that a lot of last books in a series have. I recommend this book and look forward to this author's next project.

While there were plenty of directions the book could have went to finish I feel the author picked the best way and wrapped every thing up with little mess. Definitely plenty more of that universe to explore so I'll read any books he puts out in the future.

The first two books of the Ancient Dreams trilogy have fast become some of my favorite books from the last decade. This book has closed the series in an exceptionally well tied up manner. I do not want to give any details as I do not wish to spoil anything. Cons- Ran into a half a dozen typos and improperly written sentences. Yeah thats about it.

I enjoyed the entire series. The author did well to make many characters that felt real and different. I would have loved a slightly more complete epilogue but that isn't something I generally get from any author so I will be happy with what I got. A complete story with a wonderful ending.

I got an ARC. Loved the book. I thought the flowed well and gave good closure to the main story-line; but also I think left things open for additional books down the road.

Loved the story!!! Great storyline and fantastic characters .All in all a great read .
