Suzanne Swedo, director of W.I.L.D., has backpacked the mountains of every continent. She has led groups into the wilderness for over 25 years and teaches wilderness survival and natural sciences for individuals, schools, universities, museums, and organizations such as Yosemite Association and the Sierra Club. She is author of Hiking the Hawaiian Islands, Best Easy Day Hikes Yosemite National Park, Hiking Yosemite, Hiking California's Golden Trout Wilderness, and Adventure Travel Tips, all FalconGuides. She lectures and consults about backpacking, botany, and

survival on radio and television, as well as in print.

We ran into several trail closures where rain had made things too slippery. The given GPS locations weren't precise enough to always be helpful for us -- you'd get to the stated GPS location and it still wasn't clear where exactly the trail head was. Suggest take a laptop when visiting Kauai and double-check your hike choices before heading out -- and have a "Plan B" and "Plan C" hike as well!

I got this for my trip to the outer island. It does have some good hike and a good description of where the hikes are located. But the overall location of all the hikes in the book aren't shown on a big map. They each have a map of the small area that they are in.

It helped to find a few hikes. Would recommend looking for a newer version.

Even though tracking has it that it is still on the way it is really here. Book is OK and will serve its purpose.

Good descriptions and directions for easy to moderate hikes. Very helpful.

It is an excellent review of what can be seen on the island. We are very pleased.

great

Great information in a well organized format. Some good tips you might not find anywhere else. Will put info to good use.
