The Practice Of Research In Criminology And Criminal Justice

Synopsis

The Practice of Research in Criminology and Criminal Justice, Sixth Edition continues to demonstrate the vital role research plays by integrating in-depth, real-world case studies with a comprehensive discussion of research methods. By pairing research techniques with practical examples from the field, Ronet D. Bachman and Russell K. Schutt equip students to evaluate and conduct research. Covering research findings from critical areas in criminal justice, such as police use of force, cybercrime, and race, this text helps students understand the importance of research, not just the process. The Sixth Edition of this best-selling text retains the strengths of previous editions while breaking ground with emergent research methods, enhanced tools for learning in the text and online, and contemporary, fascinating research findings. Students engage with the wide realm of new research methods available to them, delve deeper into topics relevant to their field of study, and benefit from the wide variety of new exercises to help them practice as they learn.

Customer Reviews

"This is my primary text and because the book is both comprehensive and accessible I plan to continue to use it."--Mark G. Harmon
"The clear and concise writing of the material facilitates understanding. Reading this text is not an overwhelming task for my students."

"This is my primary text and because the book is both comprehensive and accessible I plan to continue to use it." (Mark G. Harmon)
"The clear and concise writing of the material facilitates understanding. Reading this text is not an overwhelming task for my students." (Margaret Pate)
