## **Customer Reviews**

The book was not what I expected. I should have read the description more carefully. I was expecting crossword puzzles just like the tv program.

Should have realized that this was a con. Obviously a piece of paper can't insert 3 E's when there are 3. Most of the puzzles are of other types and not very much fun. Went to the recycle bin quickly.

I was disappointed...I was expecting it all to be Wheel of Fortune puzzles like the front. It's just another puzzle book with a few of the puzzles pictured on the front.

Was a little disappointed in it, don't know what I really expected, but just another word book with a variety of puzzles.

Love this puzzle book. There needs to be more like it. The variety of challenging puzzles is

excellent. The spiral binding makes it easy to move on to the next one

poorly written; inadequate instructions; and it leads you to believe (from the cover) that all or most would be wheel of fortune puzzles. And most (if not all?) require 2 people!

It was a christmas gift for someone in my family, loved it!

Love this. Makes a great gift for anyone.
