Camp Half-Blood Confidential

Synopsis

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

Customer Reviews

This is a well thought out book for any new camper of Camp Half Blood. As much as I like the pictures, I kinda wanna see the movie from the early days of the camp!

A bunch of small stories that look and feel like they were written on a napkin over dinner. The other companion stories that came along with Percy Jackson were far better.

Great companion to the Percy Jackson series. Fun.

Percy and friends give a detailed, lively tour of Camp Half-Blood. Enjoy comparing your current camp with a walk down memory lane into the 1950s. And don't forget.....hands off the car.

this helps tie the different series together

Love the stories and imagery in all of His books.

Great to complete the imagination of Percy's world.

This is a great book!! I highly recommend it to all percy Jackson fans! It was really very super funny!!
