Shiro Amano is an artist and illustrator best known for his manga adaptation of the KINGDOM HEARTS series.

Fantastic end to the English KH2 manga. It wraps up the story very well and it's all packed in a very thick book. It's a must get if you have the first place

finally completing the whole kingdom hearts 2 story as well as showing what's coming next

Been waiting so long for this and was not disappointed! The manga is really thick too!

It's such a cool manga!

Love this series, i just wished they had hard cover option, but still amazing comic

I'm a huge fan of the Kingdom Hearts and this manga series does not disappoint! I actually feel like I understand Sora better as a character after reading it. Definitely worth it for any Kingdom hearts fan or someone trying to get into the series.

An exciting ending to an amazing series (btw this book is a lot thicker than any of the other KH mangas)

What an epic ending to this manga! It follows the games very closely, so it was fun to read and think back to playing the game for the first time! The artwork and manga style was so good and fun to look at! There was humor mixed in with the drama too, so that was nice! 10/10! I would highly recommend reading these, if you haven't already!
