Customer Reviews

I managed to locate the airport, and the subway station near my hotel, along with other destinations. The map is pretty easy to read, even for middle-aged eyes. I like the fact that it is waterproof. It will never leave my side as long as I am in Korea.

Very good map, though the railroads are a bit difficult to see.

Hubby used on trip. Came in handy!

Not as large as I would like and for some reason I thought it would be plastic. It covers the areas you will likely need.

Very good map. Easy to read. Exactly what I was looking for

Very good map.

We used this while wandering around Seoul. I should never go out without and about in that country without one of my relatives. OOPS.

Great map
