Hey, A**hole: Art To Color For The Losers In Your Life

Synopsis

Don't bottle up your true feelings; share them with the ones you hate. Hey, A**hole is a beautifully illustrated collection of 32 scathing notes to help you to unleash your wrath on someone special. Color your way to a better mood as you relay urgent, heartfelt messages like, "I hate your face," "Eat a dick," and "You're dead to me." Enjoy a surge of satisfaction as you add a rainbow of color to the words you meant to say long ago. Frame your empowering works of art and hang them on the walls of your home or office, or send them in an envelope to that deserving asshole in your life. If you're tired of someone else's bullshit, you'll love how this therapeutic coloring book lets you vent your frustrations in a healthy and decidedly non-violent way.

Customer Reviews

I have purchased three of these for gifts. The statements on each page are genuinely funny - not just vulgar. Everytime I've given one as a gift it was well received by the recipient and enjoyed by everyone in the room as it was passed around.
