Ten Count, Vol. 2

Synopsis

Corporate secretary Shirotani suffers from obsessive-compulsive disorder in this doctor-patient romance fraught with compulsion! Corporate secretary Shirotani suffers from obsessive-compulsive disorder. One day he meets Kurose, a therapist who offers to take him through a ten-step program to cure him of his compulsion. As the two go through each of the ten steps, Shirotani's attraction to his counselor grows. Shirotani begins opening his heart to Kurose, until the counselor suddenly tells him that their sessions are over. Shocked, Shirotani withdraws into his home, refusing to come out. Out of the blue, Kurose texts him and asks to see him. What will Shirotani do when he finds out the secret Kurose has been hiding from him this whole time?

Customer Reviews

This is Rihito Takarai's second English-language release, with her first being *Seven Days*. She has also been published in French, Spanish, and German. In addition, she publishes doujinshi (independent comics) under the circle name "Giga Traper." Born in Hiroshima Prefecture in October, she's a Libra with an O blood type and is a self-professed fan of *Uta no Prince Sama*.

This is great, the characters, the drawing, the story is really consistent. In a lot of yaoi it seems the mangaka seem to forget the plot and the characters personality once they get to the steamy parts. Takarai does a good job of giving the steamy parts and keeping everyone true to their character. Its what makes the reading so tantalizing!

Great bl manga I can't wait for the next one to come out.

The covers of these books are honestly to die for..very steamy. Loved this second volume really speeded up the yaoi. Was not expecting this to happen so suddenly if you haven't already bought this series you are missing out really great read so far.#fujoshibooks

This is a good book but it started to slow. I will still complete the series.

Nice

VERY HOT READ

I am really liking Ten Count so far, though I was a bit put off in Kurose's behavior in this one. I still like him, but he seemed rather pushy in this one. However, I am excited to see this series finally being printed in English, and I am eager to see their relationship continue to grow. The artwork is pretty, and the characters are well-developed (though again, Kurose surprised me a bit). I recommend this series to any yaoi fan. I was surprised when Shirotani said the number ten on his list wasn't what I thought it was going to be (since this is a yaoi, after all), but now I am even more curious to find out what it is!

The story was interesting and engaging. A nice subtle touch of sexy mixed in makes it a good balance. The Kindle version was great to have, especially since it even flips through like a manga.
