The Dance Of The Millions: Latin America And The Debt Crisis

Synopsis

The Dance of the Millions provides a comprehensive account of the Latin American debt crisis. It examines why the bank loans came about in the first place, how most of them were used, and why they suddenly dried up in the 1980s. It argues that the role played by the IMF and the World Bank as the financial policemen of Latin America has compounded the crisis for the poor, who were the least responsible for the debt mountain. It also analyzes why Latin American governments have so far failed to stand up to the banks and say "Can't pay, won't pay". It includes case studies of Brazil, Peru and Costa Rica, examines the role played by the IMF and the World Bank, describes the impact of debt-induced austerity on the poor and considers the implications of the debt for future development.

Book Information

Paperback: 272 pages

Publisher: Latin America Bureau (January 1, 1990)

Language: English

ISBN-10: 0906156300

ISBN-13: 978-0906156308

Product Dimensions: 5.8 x 0.7 x 8.3 inches

Shipping Weight: 13.4 ounces
