Customer Reviews

"Takes into account recent employment laws and has a new chapter on mediation." *Reference & Research Book News* "Offers proven techniques for creating a trouble-free workplace and offers immediate fixes for handling your problem employee of the moment." *Small Business Opportunities* "Make sure you cover all your bases first... this guide to legalities of evaluations, discipline, complaint investigations, terminations and service can help make sure that you do." *Accounting Today*

This book will tell managers and supervisors everything they need to know about how to identify difficult employees, how to manage them during the employment relationship, and how to terminate

them in a way that reduces the company's legal risk. It will give them the confidence to deal with problem employees directly and make the tough decision to terminate when it's clear that the situation isn't improving.

I use this book as a desk copy to help with problem employees. This book has a lot of ideals and way to handle them. buy it
