Lluvia De Oro

Synopsis

Rain of Gold, the magical Mexican-American family saga and critically acclaimed bestseller, is now available for Spanish-speaking readers in Lluvia De Oro. Rain of Gold is the captivating true story of author Victor Villasenor's Mexican-American family heritage and of the people who fled war-torn Mexico at the turn of the century to find a better life in the United States. This enchanting translation, Lluvia De Oro, reveals the moving story of Villasenor's mother, Lupe, whose family was forced to flee their homeland during the Mexican Revolution, and how despite this hardship, she met and fell in love with the man who would become Villasenor's father. Lluvia De Oro is a telling narrative of Mexico's cultural richness, of a family whose tragedies are endured through the power of mysticism and unconditional love, and of all immigrants: brave people who embrace life with an unwavering spirit.

Beautiful, amazing, extraordinary book. I definitely recommend to anyone no matter your race or ethnicity. The word family can be felt and understood no matter what part of the world you're from. Please read this book. Victor Villaseñor es un genio y una inspiración para nosotros Los Mexicanos

Este libro es algo bien especial. En los años pasados, lo he recomendado a mucha gente: a otros maestros, como yo, a mis estudiantes, a los presos a quienes escribo en la prisión en la Bahía del Pelícano. A todos les gustaba este cuento magnífico. Es seguro que usted va a disfrutarse -- y llorar y reflejar y reír -- cuando lo lee. Que tenga un viaje maravilloso!

I love Villasenor's books. This is my favorite of his, due to wonderful rich family history, as well as the slice of history of the US and Mexico during this time period. This is a Spanish edition because it is a gift for my friend who speaks only Spanish.

One of the best books I have ever read. In my mind, -and with respect to the other's opinion-, it is better than One Hundred Years of Solitude by Gabriel García Márquez. The Villaseñor's trilogy (Rain of gold, Thirteen Senses and Wild steps of heaven) should be recognized by all the world as the literary meeting of the English and Spanish.

This is my favorite book! I recommend it so much. I've read it several times.

I could not put it down. I laughed, cried with joy and felt my heart warm up to all the family members. A great love story of survival.

This is a wonderful story that draws you in till you feel each one of them is your family member.

great
