The Essene Gospel Of Peace - Book Three: Lost Scrolls Of The Essene Brotherhood

Synopsis

"This third book of the Essene Gospel of Peace is a collection of texts of great spiritual, literary, philosophical and poetical value, created by two powerful, interwoven streams of tradition. Chronologically, the first is the stream of traditions to which the Hebrew people were exposed in the Babylonian prison, dating from the Gilgamesh Epics to the Zend Avesta of Zarathustra. The second is the stream of traditions flowing with poetical majesty through the Old and New Testaments, dating from the ageless Enoch and the other Patriarchs, through the Prophets and on to the mysterious Essene Brotherhood. In the buried library of the Essene Brotherhood at the Dead Sea, where the greatest number of scrolls were found, the texts of these two streams of traditions were very much interwoven. They follow each other in a strange succession: the powerful cubistic simplicity of the first juxtaposed with the majestic, expressionist poetry of the second. The original texts of this collection may be classified into three approximate groups: about seventy percent of them are completely different from the ancient Sacred Books of the Avestas and the Old and New Testaments; twenty percent are similar, and ten percent are identical."

Book Information

Customer Reviews

Higher learning rules.

States as God's word, eat nothing my fire. Easy to figure out why there are so many disease. Go against the word and Mother Earth, pay the price.

Great!

This book is packed with knowledge & many parables written on multiple levels of consciousness, leaving for a wide range of interpretations. You would have to be a fool to not read this book. Buy it now & don't be cheap. If it is 5 dollars or 30 matters not, get it. Along with the other 3 books in the Essene Gospel of Peace series this book is one of those rare jems waiting on the bookshelves of the world, collecting dust, waiting patiently for somebody to pick it up & learn from its multi faceted fountain of truth & reap its benefits. Read this book, peace be with thee.

There is enough in the Bible to show us what we must do to be saved. This book is unnecessary reading.
