The Lion, The Witch And The Wardrobe (Radio Theatre)

Synopsis

Fully dramatized and produced with cinema-quality sound design and music, each title in Radio Theatre's Chronicles of Narnia is now available in a travel-friendly size. Hosted by Douglas Gresham, stepson of C. S. Lewis, these timeless classics have mesmerized millions around the world. Upon entering an enchanted world called Narnia, four ordinary children learn extraordinary lessons in courage, self-sacrifice, friendship, and honor. Brought to life in London by a cast of more than 100 actors, including award-winners Paul Scofield, David Suchet, and Ron Moody, the 7-part Chronicles of Narnia provides over 22 hours of exhilarating listening entertainment. The Lion, the Witch, and the Wardrobe: Four children in search of an adventure find themselves in the far-away land of Narnia--a world populated by talking animals, an evil White Witch, and a fearsome lion named Aslan. Over the years, countless millions have made the same journey, through C. S. Lewis' imaginative novel The Lion, the Witch and the Wardrobe. Now that incredible story unfolds as never before in the audio dramatization of this immortal classic--from the Peabody Award-winning Focus on the Family Radio Theatre team. Featuring talented actors, film-style sound design, and a rich musical score, this thrilling tale reminds us of the greatness of God's sacrificial love.

Customer Reviews

Focus on Family Radio Theatre's production of the tale of four London children who step through their wardrobe into enchanted Narnia includes a full orchestral score, compelling sound design, and

a script that remains true to the classic C.S. Lewis book. Older children will better appreciate the British flavor and slower pacing of the story, while adults will find the introduction by Lewis' stepson interesting. A 1999 Parents' Choice Gold Award Winner. (Parents' Choice®) -- From Parents' Choice®

"They say Aslan is on the move. Perhaps he has already landed," whispered the Beaver. Edmund felt a sensation of mysterious horror. Peter felt brave and adventurous. Susan felt as if some delightful strain of music had just floated by. And Lucy got that feeling when you realize it's the beginning of summer. So, deep in the bewitched land of Narnia, the adventure begins."They opened a door and entered a world--Narnia--the land beyond the wardrobe, the secret country known only to Peter, Susan, Edmund, and Lucy. Lucy is the first to stumble through the back of the enormous wardrobe in the professor's mysterious old country house, discovering the magic world beyond. At first, no one believes her. But soon Edmund, Peter and Susan, too, discover the magic and meet Aslan, the Great Lion, for themselves. And in the blink of an eye, they are changed forever. This superbly adapted radio dramatization from the BBC--world renowned for their excellence in radio programming--delightfully sweeps listeners into the marvelous heart of their imaginations and into the enchanted world of Narnia. This exquisite production of *The Lion, the Witch, and the Wardrobe* features a stellar cast, authentic sound effects, and wonderfully stirring music to warm and engage the hearts of children and adults whether they're hearing the story for the first or the fiftieth time.

This is an incredible recording of the *The Lion, the Witch and the Wardrobe*! We listened to it on one long leg of a road trip. It's not just read like typical audio books but it's performed! Loved it!!!

Always wonderful

Was great!

This telling of C.S. Lewis' beloved TLTWTW is very well done. The ultimate is to get your hands on the full set. It offers a great way to further enjoy this well crafted story for young and seasoned. Other works of Focus on the Family's Radio Theatre are also highly recommended. Happy listening.

This was an awesome audio production of the second book in the C.S. Lewis "The Chronicles of

Narnia" series. I was drawn spell bound into the story and was deeply impacted emotionally everytime Aslan, being a type of Christ, appeared in the story. It was powerful and I immediately ordered the entire audio series to enjoy and share with others.

This was a great book - I highly recommend it I'm using it for my HS Bible class - It was enjoyable and easy to listen to

Well acted and narrated version. Our family listened to this on our way to the beach last summer. I like listening to the audio ones in the car versus putting on a video because it forces the kids to use their imagination. The bonus was one of my favorite actors, David Suchet was the voice of Aslan! A great story for the whole family. (The only thing I will caution is the scene where Aslan is sacrificed could be scary to your ones. Even though you can't see what is happening, the cackles and jeers heard can be disturbing. Use your judgement whether your child will be affected by it or not.)

My job requires me to travel long distances at times, and I have come to rely upon cd books to make the miles pass a bit faster when I am driving. This is one of my favorite books, and it is also one of my favorite CD sets to listen to. The character voices all sound exactly as you would expect them to sound, and if any portion of the book has been edited out, I couldn't tell you what part it is. Well done, and easy to listen to. Back in 2001, when my daughter deployed to the Persian Gulf following 9/11 on an aircraft carrier, she loaded the complete set on her iPod. A big story in a tiny space. If you enjoy the Chronicles of Narnia and are looking for a version to listen to, these are a wonderful choice.
