It was very helpful.. yet a little too mainstream for me. But it just may not have been targeted to people like us. The description of the city market in Savannah made it sound like it had many artesian places. Mostly commercial. I remember one shop in particular that was full of beautiful things from local artists. Restaurant reviews were helpful

I have never been to Savannah, but would love to get there ASAP. I am a big fan of Fodor's in Focus as many of my travel books come from this particular brand and author. A lot of what is highlighted is also heavily mentioned and highly recommended by Trip Advisor and other trip websites. Enjoy and happy travels!

A perfect companion to a visit to Savannah! Lots of great info! We used this for our July 2015 Savannah trip and it was very helpful. Includes Tybee Island and Hilton Head info also! Highly recommended!

Another good book with maps and info for the area. Gives places to see, where to eat and where to stay with pricing.

Great info and it will be helpful on our upcoming vacation.
